Colonel Gerald H. Jorgensen
 Chief, Community Relations Division
 Office of Information
 Department of the Air Force
 Washington, D. C.

Attention: SAFOLC

Dear Colonel Jorgensen:

Consideration has been given to your request of 27 July 1956 for the declassification of the "Report of the Scientific Panel on Unidentified Flying Objects." The Office of Scientific Intelligence feels that the report, as originally drafted, cannot be declassified. As an alternative, an unclassified version has been prepared which omits names of personnel and participating organizations, and we are prepared to release of this version. It should be noted that permission for release has not been obtained from personnel or organizations involved in the original panel report, and that the panel members themselves agreed only to the release of the edited summary and conclusions indicated by Mr. P. G. Street in his 29 December 1956 memorandum to AFHQ/ISA. B

We are most anxious that further publicity not be given to the information that the panel was sponsored by the Central Intelligence Agency. Further, we cannot authorize the listing of personnel participating in the discussions in any unclassified releases.

Sincerely,

Karl H. Heber
